The term "sole expense" means the actual cost of the action taken in providing comparable replacement without enhancement of the facilities, after deducting the net salvage value derived from the old facility.

Sec. 14. (a) The District is not vested with taxing power in addition to that granted the county under Article VIII, Section 1-a, Constitution of the State of Texas, and Chapter 464, Act of the 51st Legislature, 1949 (Article 7048a, Vernon's Texas Civil Statutes) except for the purpose of collecting funds necessary for the retirement of bonded or other indebtedness of a drainage district dissolved under Section 18 of this Act.

(a) For the purpose of constructing improvements related to the exercise of any power or powers conferred on it by law, the District shall have the power and is hereby authorized to issue negotiable bonds, either as in single issue or in separate issues from time to time, to be secured by the proceeds and income from contract with the commissioners court or by a pledge of revenues, income and funds of the District without reference to their source and having such priority of liens thereon as may be prescribed in the proceedings authorizing the issuance of such bonds.

(b) No bonds, except refunding bonds, shall be issued until they have been authorized by a majority of the qualified property taxpaying electors voting in an election called for the purpose of determining whether or not the bonds shall be issued. The election shall be called, held, and conducted, and notice shall be given in the mode and manner specified in Section 17 of this Act.

(c) When the bonds have been authorized and issued, the board may sell and deliver the bonds and may receive and use the proceeds to carry out the purposes of the District.

(d) District bonds shall be authorized by order or resolution of the board and issued in the name of the District. The bonds shall be signed by the president and attested by the secretary except that the order or resolution authorizing the bonds may provide for the bonds to be signed by facsimile signature of the president and secretary.

(e) Such bonds may either be (1) sold for cash, at public sale, at such price or prices as the board shall determine, provided that the interest

cost of the money received therefor, computed at maturity in accordance with standard bond tables in general use by bank and insurance companies, shall not exceed seven per cent (7%) per annum, or (2) may be issued on such terms as the board shall determine in exchange for property of any kind, real, personal or mixed or any interest therein which the board shall deem necessary or convenient for any such corporate purpose, or (3) may be issued in exchange for principal amounts or other obligations of the District, matured or unmatured, or (4) may be issued for the purpose of refunding outstanding bonds and their accrued interest, however, such refunding bonds issued must bear interest at the same or lower rate than the bonds being refunded unless it is shown mathematically that a savings will result in the total interest to be paid.

(g) All such bonds shall bear such date or dates, mature at such time (not to exceed forty (40) years from the time of their issuance), bear interest at such rate or rates (provided that the net interest cost shall not exceed seven per cent (7%) per annum), payable annually or semi-annually, be in such denominations, be in such form, either coupon or registered, carry such registration privileges as to principal only or as to both principal and interest, and as to exchange of bonds of one denomination for bonds of another denomination, be executed in such manner and be payable at such place or places within or without the State of Texas, as such resolution or resolutions by the board under subsection (d) of this Section may provide.

(i) After the bonds have been authorized by the District, the bonds and the record relating to their issuance shall be submitted to the attorney general for his examination as

to the validity of the bonds and their issuance, and if such bonds have been authorized in accordance with the provisions of this Act, the attorney general shall approve them, and the bonds shall be registered by the comptroller of public accounts. The bonds shall be eligible to secure the deposit of any public funds of the state, and any public funds of cities, towns, villages, counties, school districts or other political corporations or subdivisions of the state. The bonds are lawful and sufficient security for the deposits to the extent of their par value when accompanied by all immatured interest coupons appurtenant to them.

Sec. 16. The bonds issued hereunder, and their transfer and the income therefrom, including the profits on the sale thereof shall at all times be free from taxation by the State or by any municipal corporation, county, or other political subdivision or taxing district of the State.

Sec. 17. (a) The board shall provide for the holding of such bond election or other election necessary for conducting the business of the district not heretofore provided for in this Act. The board shall appoint the necessary election officers to conduct the election. The board may appoint as District election officers the same persons who are appointed as election officers for the state general election held in the county. The board shall have notice of the election published once each week for two consecutive weeks in a newspaper with general circulation in the District, with the first publication appearing at least fourteen (14) days prior to the election date. (b) The commissioners court may, from time to time upon a presentation of a petition by the taxpayers of an existing drainage district or districts seeking abolition under Chapter 143, Act of the 49th Legislature, Regular Session, 1945 (Article 8193-1, Vernon's Texas Civil Statutes), or whenever the members of the commissioners court declare it to be within the public interest, hold a referendum within the existing drainage district or districts to advise the court of public opinion regarding the abolition of the district or districts. Such a referendum within a district or districts have no legally binding effect on the actions of the commissioners court in abolition proceedings.

(c) The Jackson County County-Wide Drainage District and/or the existing drainage district or districts shall not be obligated to bear any portion of the expense of such referendum or election under subsection (b) of this section. Such expense shall be borne by the commissioners court.

(d) All of the property and funds of a drainage district abolished under subsection (a) of this section shall, upon such effective date, pass into the control of and be subject to the jurisdiction of the officers of the

Jackson County County-Wide Drainage District.

(e) The District shall assume the outstanding bonded or other indebtedness of any drainage district that is abolished under subsection (a) of this section.

(f) All taxes due and owing to any drainage district at the time of its abolition as provided under subsection (a) of this section shall become an obligation due and owing to the Jackson County County-Wide Drainage District. The Jackson County County-Wide Drainage District may in its own name or the name of the drainage district enforce the payment of such taxes, and foreclose the lien securing the payment thereof.

(g) All sinking funds on hand at the time of abolition and those funds acquired under subsection (f) of this section shall be applied to the retirement of the outstanding bonded or other indebtedness of such district. When the outstanding bonded or other indebtedness of such district is fully paid, such funds may be expended for any purpose for which other funds of the Jackson County County-Wide District are authorized by this Act to be expended.

Sec. 19. This Act shall not in any manner impair the power and authority of the Jackson County Navigation District or the Jackson County Flood Control District to exercise the rights, powers and duties conferred upon such districts by law, but the District shall be authorized to cooperate with the governing bodies of each of such districts in matters of mutual interest.

Sec. 20. It is determined that all of the land and other property included within the district will be benefited by the works and projects which are to be accomplished by the District pursuant to the powers conferred by the provisions of Article XVI, Section 59, of the Texas Constitution, and that the District is created to serve a public use and benefit.

Sec. 21. It is determined and found that a proper and legal notice of the intention to introduce this Act, setting forth the general substance of this Act, has been published at least thirty (30) days and not more than (90) days prior to the introduction of this Act in the Legislature of Texas, in newspapers having a general circulation in Jackson County; that a copy

of such notice and a copy of this Act have been delivered to the Governor of Texas, who has submitted such notice and Act to the Texas Water Rights Commission, and said Texas Water Rights Commission has filed its recommendation as to such Act with the Governor, Lieutenant Governor, and Speaker of the House of Representatives of Texas within thirty (30) days from the date such notice and Act were received by the Texas Water Rights Commission; and that all requirements and provisions of Article XVI, Section 59(d), Constitution of the State of Texas, have been fulfilled and accomplished as therein provided.

Sec. 22. If any clause, sentence, paragraph, Section or Subsection of this Act is declared unconstitutional or invalid by any court of competent jurisdiction, the remainder of this Act shall nevertheless remain in full force and effect.
